

STONEROX. 

A Canadian
manufactured
lightweight facing
stone.

- Versatile and functional
- Stones are 5/8" to 2 1/4" thick and can be installed over any sound surface
- For new construction
- For renovations where brick ledges or structural footings are not available
- Interior applications
- Lightweight, installer friendly and fire resistant
- Virtually maintenance free
- Can be installed in assorted patterns
- Combine styles and colours to create an authentic appearance
- Can also be combined with brick, wood or stucco
- Distinct styles are produced in various textures
- Available in a full array of blended natural colours
- Meets the needs of the Canadian Market
- Manufactured to CSA Standards

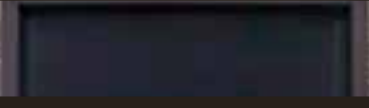

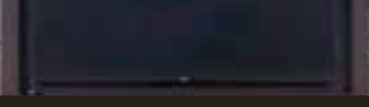

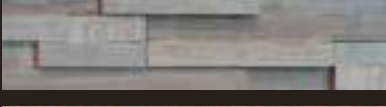

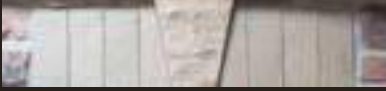

50-YEAR QUALITY
ASSURANCE GUARANTEE

StoneRox is a superior, high quality stone veneer that is proudly crafted in Canada. Each product line has been beautifully designed and rigorously tested to retain its structural strength, integrity and durability through the harshest Canadian climates for 50-years. If your **StoneRox** product is installed according to our specifications and becomes structurally defective, we will replace it. That's the **StoneRox** Quality Assurance Guarantee. See stonerox.ca for additional details.

Bianco Wood

While every care is taken to ensure that the colour reproductions are accurate, it is impossible to reproduce the stones' subtle shades exactly. The colours represented in this brochure are as accurate as modern printing will allow. It is advised to inspect samples before purchase. Due to the iron content in Natural Stone, some rusting may occur.
